

Job title: SAP EWM Consultant

Role type: Permanent

Location: UK wide with preference to Skelmersdale

Salary: Competitive + laptop + Apple iPhone X + Private Healthcare + additional benefits

The Role:

Tasked with optimizing client warehouse functions, our SAP EWM Consultants play an exciting role in the world and are critical to the success of The Config Team. You will give our clients the competitive edge by delivering a range of SAP Logistics solutions.

Key responsibilities:

- To develop a strong understanding of client operations and make suggestions for improvement through the use of SAP technology
- You will design, build and implement high specification SAP Logistic customer solutions
- Coordinate and lead customer workshops and requirement gathering sessions
- Draft project specifications, estimations and produce documentation
- Develop SAP Logistic blueprints
- Maintain excellent stakeholder management throughout all areas of your work
- To elevate the customer experience, leaving them with the WOW factor
- Keep up to date with the latest SAP technology, especially within Logistics
- Any other duty upon reasonable request

Required skills and experience:

Holding at least 1 – 3 years SAP EWM configuration experience, you will have a solid understanding of SAP EWM functions and ideally have experience of at least 1 full life-cycle SAP EWM project.

- Extended Warehouse Management (EWM)

You will also have good experience in;

- Understanding ABAP
- Integrating SAP EWM between modules
- Planning and delivering client workshops and requirement gathering sessions
- Creating functional specifications
- Stakeholder management and communication
- Written and verbal English

Desired experience:

Functional configuration with any of the below modules is also highly desirable;

- SAP Warehouse Management (WM)
- SAP Sales and distribution (SD)
- SAP Plant maintenance (PM)
- SAP Materials Management (MM)
- SAP Quality Management (QM)
- SAP Production Planning (PP)
- SAP Customer Service (CS)
- SAP Project System (PS)

Strength in Knowledge

About you:

Alongside your already deep yet growing SAP EWM knowledge, it will be your; creativity, strong industry experience, supportive team and devotion to delight clients that will help you achieve excellence time after time. You will share the same good attitude towards development that The Config Team holds and sees pivotal for the success of its people.

About us:

We are The Config Team, an Investors in People Gold Award winning SAP Silver Partner, where our reputation precedes us as the leading SAP logistics solutions specialists. We're a bunch of innovative SAP experts within logistics who are proud of our collaborative, supportive and friendly culture.

Over the past 20 years The Config Team has gone from strength to strength through constant exposure to deep and complex logistical challenges. We continue to pave the way and create ground breaking and innovative SAP solutions allowing our clients to achieve process excellence in all aspects of the supply chain.

The knowledge rich and development friendly environment means there are lots of exciting developments happening at The Config Team. We have developed over 150 mobile applications, and with global projects happening across a range of industries, we continue to challenge traditional thinking to optimise business performance around the globe.

Benefits:

- 24 days holiday per year plus statutory UK Bank Holidays
- Private Bupa health care cover
- Computershare cycle to work scheme
- Computershare childcare vouchers
- Employee Assistance Programme (EAP)
- Legal cost discounts
- Up to 5% pension contribution
- Company mobile (if applicable)
- Company laptop
- Free parking facilities (Skelmersdale)
- Excellent learning and development opportunities
